Ms. Boyle,
I'm forwarding your request to my colleagues Paula Smith and Lisa McClain-Vanderpool in our Region 8 office to ask that they respond to your request.

I am writing on behalf of CBS News.

I understand from reading a story on AP that results of the EPA's testing of the Animas River could be released as soon as today.

I would like to receive a copy of the test results when they are available and if you could 'reply-all' that would be very helpful.

Thank you.

Regards,

Beth Boyle
